## COMMUNITY CELEBRATION EVENT

**In every community, there is work to be done. In every nation, there are wounds to heal. In every heart, there is the power to do it.**

--Marianne Williamson

Community connects us, supports us, and is essential to our well being. As we come together at **Four Directions**, we share the rich resources of wisdom and experience as we work with and learn from each other. It is also important to take time to share laughter, break bread, and celebrate.

This year's Community Event celebrates the rich heritage of our past, the successes and challenges of our present, and the hopes and dreams for our future. What better way to do this than to honor the wisdom of our elders and honor the life work of Billy Frank, Jr. -- whose incredible passion and leadership was a shining example of how to leave the world a better place by your actions and efforts. Then, hear the voices of our youth--voices that are empowered and engaged and can share what these youth have learned and how they hope to give back.

This special event; this beautiful meal; this wonderful celebration is a chance to share as a community, enjoy traditional and contemporary music, dance, and performance art.

Please join us in a
